### **Product Parameter of the Automotive Dust Proof Rubber Cap:**

- ①Product name: **Automotive Dust Proof Rubber Cap**
- ②Material: EPDM NBR Silicon or Can Custom
- ③Logo: Can Custom
- ④Size: Can Custom
- ⑤Can Custom: Black or custom
- ⑥Application: Automotive
- ⑦Certifications: IATF16949 ,ISO14001:2015,ROHS,CMC, etc
- ⑧Delivery: 30 -50days after sample confirmation
- ⑨Sample: 25-30 days
- ⑩Payment: 30% deposit, 70% payment before shipment
- ⑪Package: PE bags, Cartons,Pallet
- ⑫Payment Terms: T/T,L/C and so on.

⑬ Shipment Way: Vessel, Air, Express etc.

**Product Feature AND Application of the Automotive Dust Proof Rubber Cap:**

Dust proof rubber cap our factory can produce rubber caps according to your samples or drawings. You just need to send us your requirements and we will make good products to satisfy you.

In addition to EPDM rubber, also can produce nitrile rubber, silicone rubber, natural rubber, fluorine rubber and so on. Colors include: red, blue, white, blue, black, yellow, purple and so on. Our rubber cap cover performance includes: oil resistance, water resistance, high temperature resistance, low temperature resistance, aging resistance, ozone resistance, uv resistance, acid and alkali resistance. Oil resistant rubber cover is widely used in automobile, ship, military, electronic and electrical industries. But each material has its best properties, so please let me know what you need before choosing.
